The slide features a dark blue background. On the left, a woman in a black vest and tan skirt stands with her hand on her head. On the right, a man in a black shirt sits with his hand on his chin, looking thoughtful. The central content is on a white background with a blue border. At the top is the AMIS logo, which includes a stylized blue wave and the text 'AMIS' in large bold letters, with 'AUTOMATED MOVEMENT AND IDENTIFICATION SOLUTIONS' below it. A horizontal line separates the logo from the text 'How to Access the TC-AIMS II Training Materials' and 'On the TC-AIMS II Training portal on forge.mil'. Below the text is a graphic of a globe. In the bottom right corner of the white area is the logo for the 1st Cavalry Division, featuring a globe and the letters 'PE EIS'.

Background

Recently PD AMIS began hosting the Transportation Coordinator's-Automated Information for Movements System II (TC-AIMS II) training portal located at <http://tc2train.us/>, on the forge.mil website.

Forge.mil specifically caters to the DOD community and is free to all DoD personnel. The forge.mil site is hosted by the Defense Information Systems Agency (DISA) and is For Official Use Only (FOUO)-rated with a (CAC) enabled login.

The TC-AIMS II training portal on the forge.mil website (located at <http://tc2train.us/>) is a repository for all of the TC-AIMS II training materials. You can access and download the IMIs and IMI booklets quickly and easily.

The screenshot shows the Software Forge TC-AIMS II Training Portal. The main content area displays a list of documents under the heading "7.0.1 Basics - Web (CAC) Logon (10 items)". The list includes various document IDs and names, such as "doc61331: 1a_Launch_App_Booklet" and "doc59079: 1b - Register CAC and Logon". A soldier in military gear is pointing to a text box that contains the following information:

You should note that the Basic Web Login IMIs are:

- Launch the Application
- Register CAC, and Logon,
- Change the User Password,
- Use Citrix Client for Road Management, and
- Access RSOI.

The .swf files (or files with the cursive f over the red circle) are the IMIs that will play in any web browser with flash player installed. The .pdf files are the printable booklets of the IMIs. Both can be downloaded and saved to your desktop.

The screenshot displays the Software Forge.mil web application interface. At the top, there is a navigation bar with 'PROJECTS', 'MY WORKSPACE', 'SEARCH', 'HISTORY', 'COMMUNITY', and 'SUPPORT'. A 'Jump to ID' field contains 'doc122892'. Below this is a 'TC-AIMS II Training Portal' section with tabs for 'Project Home', 'Tracker', 'Documents', 'Discussions', 'Reports', 'File Releases', 'Wiki', and 'Project Admin'. A yellow banner message states: 'The Forge.mil Team is actively working to improve Softwareforge performance. See the Softwareforge Internal Server Error Troubleshooting artifact for the current status of efforts.' The main content area shows a 'Documents' list for '7.0.1 Basics - Web (CAC) Logon (10 items)'. A table lists documents with columns for Document ID, Document Name, Size, Last Edited By, and Last Edited On. A blue arrow points from the '1a-Launch_Application' document name to a download notification at the bottom of the page. The notification reads: 'The 1a-Launch_Application.swf download has completed.' Below the notification are buttons for 'Open', 'Open folder', and 'View downloads'. The footer includes a 'DISA' logo, 'ABOUT', 'FORGE OFFERINGS', and 'HELP' sections, along with a 'STANDARD MANDATORY NOTICE AND CONSENT BANNER'.
